Translation of YouTube Comment Analysis

Latest Comments (20)

Main Topics:

- **Rental Market and Housing Issues in New York (Comments 2, 5, 15, 16, 19)**
- **Criticism of the Video Content (Comments 15, 19)**
- **Advertising Links (Comment 1)**
- **Discussion of Social Policy (Comments 6, 10, 19)**

Mood: Mixed. Top comments mostly have positive feedback (e.g., Comments 3, 9, 18), while recent comments include criticism (Comments 5, 15) and sarcasm (Comment 14).

Overlapping Topics and Requests:

- **Common Topics:** Rental issues, housing problems, criticism of the video content, requests for information about laws (e.g., Comments 6, 9, 15).
- **Common Requests:** Requests for more objective information (Comment 15), requests for detailed data (Comments 12, 13).

Standout Comments in Recent Posts:

- **Comment 15:** Criticism of generalizations about New York.
- **Comment 14:** Sarcastic reference to "trash."
- **Comment 5:** Criticism of the treatment of animals.

Standout Comments in Top List:

- **Comment 2 (298 Likes):** Surprise — the video is in Russian.
- **Comment 9:** Informative analysis of rental regulation systems.
- **Comment 10:** Criticism of government regulations.

Differences Between Top and Recent Comments:

- Top comments have higher engagement (likes, replies) and include detailed data (e.g., Comment 9).
- Recent comments include sarcastic or critical remarks (e.g., Comment 5).

Examples:

- **Top Comment 3:** Positive evaluation of the video style.
- **Recent Comment 15:** Criticism of generalizations about New York.

Recommendations for the Author:

1. Clarify data on housing problems (e.g., Comment 12).
2. Respond to criticism about generalizations (Comment 15).
3. Enhance the informative content (Comment 9).
4. Address requests for objectivity and detail (Comments 6, 13).

Data Limitations:

- No information about the reasons for the high number of likes on Comment 2.
- Insufficient data on the influence of advertising on the video content (Comment 11).
